1111 North Stevens Ave.,
El Paso, Texas.

Dear Cousin Mary:

I am sending you by today's parcel post two pairs of Silk Bloomers made in our new Rayon Silk Factory here at Barnesville. This is a mill just now starting up, and I trust that you will enjoy wearing them on account of them being made in Georgia.

With love and good wishes from all of us, and hoping that you will come back to see us next Spring, I beg to remain

Yours most sincerely,
